

Your Email Address can save a tree!

Last year Europe used over 84 million tonnes of paper and cardboard. That's the same weight as 7 million double-decker buses. We want to reduce the amount of paper we use so we can continue to contribute to reducing our use of natural resources, which is why we would like to communicate with our customers electronically.

R4 have invested in new software which means we can now send you invoices, orders, statements and this newsletter via email thereby significantly reducing the amount of paper we use. If you or your company share our ethos please contact us with your email details and we will set up your email preferences or enter your details via our Website www.rfour.net/savetrees.

We can also accept Bank Transfers for Bill Payments, for further payment details please contact Justin or Lynn for banking details.

Investors in People Where has the time gone?

Its three years since we went for our first assessment against the Investors In People Standard and we were eagerly awaiting assessment for our review.

INVESTOR IN PEOPLE

We are pleased to report that we were successfully audited against the new In-vestors In People standard and have re-gained accreditation. We continue to develop our employees training and skills as our company expands and are extremely pleased to have successfully passed the audit.

Footprints

120 car tyres is equal to 1 tonne of tyres. If you would like to find out how much your carbon footprint has been reduced in 2007 don't hesitate to contact us.

Practice what you preach!

Collecting Tyres & Collecting Awards Another month, another award!

R4 were pleased to receive the STEM Project award for "Outstanding contribution to Creating a Sustainable Future" at the recent conference in the Armagh City Hotel. The award was presented by UTV's Environmental Correspondent Mr Brian Black and RTE's Duncan Stewart.

Photo shows Mr Brian Black, Mrs Lynn Kerr, Mr Duncan Stewart and Mr Francis RockStem Project award's with Lynn Kerr receiving an award for our contribution to creating a sustainable future.

R4 have once again been successfully audited against the internationally recognised environmental standard ISO 14001. The audit of all the company's activities was carried out in August 2007 by NQA.

Did You Know!
Every week each one of us throws away 8kg of rubbish

R4's site manager Andrew Topley was particularly pleased with the award having taken great pride in maintaining and improving the environmental impact of the companies activities over the past year.

R4's Managing Director gives presentation @ CIWM Transport Hub

"Waste or Recycle -The Tyre Perspective"

Effective tyre management and tyre recycling are vital components for any transportation business. R4's Managing Director Lynn Kerr offered a brief insight into how the industry can balance their environmental and legislative requirements with their economic needs at the CIWM Transport Hub, Torquay.

Quotable Quotes

"I only feel angry when I see waste. When I see people throwing away things we could use." Mother Theresa

Rethink * Reduce * Reuse * Recycle
